**Annual Forum for Veterans Mental
Health Services**

Thursday 08 July 2021

10:00 – 16:00*

Virtual Event

Book your place using our [online booking form](#)**

This event will include presentations from keynote speakers, including the Office for Veteran's Affairs (OVA) and the Confederation of Service Charities, sharing information about their current and planned work in veterans' mental health.

It will also look at the pilot year of QNVMS peer-reviews and highlighting the importance of this initiative in the context of other work being done more widely across the UK veterans' mental health sector.

* Exact timings and event programme to be confirmed

** This event is FREE for member services, patients or carers. For all other attendees, the cost is £55.00 per person.
